Dear Parents/Guardians

Wildern Big Clean - Saturday 18th November, 10am-12pm

As a Rights Respecting School, we understand the importance of caring for and protecting the environment. As I am sure you are aware, environmental issues have become big news featuring in eye-opening documentaries by the BBC, such as 'Drowning in Plastic'. This is something we as a school are extremely passionate about, as we want to make sure there is a sustainable environment in the future for our young people.

We are therefore going to stand together with our students and local community and complete another Big Clean Event. Our Big School Clean will take place on **Saturday 18th November from 10am-12pm at Wildern School.**

Volunteers would need to meet us outside the Dart at 10am and be prepared to spend two hours helping litter pick and tidy our school site. We will provide the litter pickers, gloves and bins, as well as refreshments. Helpers would need to wear sensible footwear and clothing and be prepared for autumn's varied weather!

So please join us as we prepare to stand together and declare that litter, which degrades the beauty of our environment and threatens harm to wildlife, is not acceptable.
