Dear Parent/Guardians

I am writing to you today to say how fantastic it was to celebrate the achievements of the year group on Friday afternoon with both our Leavers Assembly and Shirt Signing. During the assembly I spoke to the year group about how it takes commitment to start but more importantly, consistency to finish. This can be applied to many areas for them over the coming weeks and months, from their approach to revision and seminars to their punctuality and attendance at exams. I wanted to take this opportunity to share with you as well the message of expectations during the exam period.

Students are expected onsite for their seminars and their exams. **While onsite the same high expectations of uniform still apply to the Year 11s. They should be wearing school trousers or skirt, shirt tucked in and tie on. Furthermore students should be in their green Wildern jumper if they need an extra layer.** Year 11s are expected to be role models to the rest of the school community and thus we would not expect them to be on their mobile phones while on the school site.

It has been lovely to see so many of them yesterday for their first seminars and exams and I look forward to seeing them all over the coming days, dressed smartly and with the positive attitude that they have carried with them during the school year.

As ever, if you have any questions regarding the expectations of the students during their exam period, please do not hesitate to reach out to your child's tutor.

Yours faithfully

Mr C.Wood
Director of Progress and Achievement
Year 11
