

Key reminders when selecting your Pathways choices

- All students will continue to study English (English Language and English Literature), Maths, Science, Core PE and Education for Life (EFL).
- All students will study either Geography or History. They must select one.
- The English Baccalaureate (EBacc) is a set of subjects at GCSE that keeps young people's options open for further study and future careers. Students can only achieve this if they've selected a language.
- Students must select three pathways choices in preference order (rank order from 1 to 3)
- We cannot guarantee that students will get all three pathways choices.
- All students must select a reserve choice. This is the subject they will study if one of their 3 choices is not available.

If students select an MFL subject it must be the subject they have studied in Years 7 and 8

It is important to rank order choices. If a subject is oversubscribed we will give priority to students who picked it as their first choice.

Students can select more than one Creative Arts subject. For example Art and Drama.

To ensure a broad and balanced curriculum:

Students can select 1 Technology subject: Textiles, OR Food, OR Wood, Metal and Plastics, OR Hospitality

If selecting Art, they must choose Fine Art, OR Photography. Students cannot do both.
