

DAY/jr
5 July 2022

Dear Parents/Guardians

As you are all aware we have been collecting and selling good quality but outgrown uniforms that could be reused by a member of our school community, this has been a huge success and gratefully received. Thank you to all that have donated. We would like to add to this any nearly new school shoes that have been outgrown that you feel our community would benefit from.

This initiative not only supports our local community but continues our drive to minimise the impact on the environment by reusing and recycling, with all proceeds being put towards our WellBeing Garden Initiative.

After an extremely successful sale to Year 6 parents on Induction Evening, raising a total of £370 for the garden, I wanted to ask you whether you have any uniforms at home that can be recycled?

On Friday 15 July between 8.00am - 8.30am and 3.00pm – 5.00pm we will have our pre-loved drop off bins outside the site office. If you have any uniform that you feel is able to be recycled within the community, we would be incredibly grateful.

The items will be available to be purchased for a small donation on selected dates, which we will confirm in the near future.

If you would like any further information please contact preloveduniform@wildern.org

Yours faithfully

Mrs D Yates
Charity and Community Lead Practitioner
