

Parent Guide for Wildern School

A Parent's Guide to Getting Started with “EduLink One”

All schools have their own way of working with EduLink One. It is customisable, meaning each school can tailor the product to meet their individual needs. The features covered in this guide are subject to the options your school chooses to use and should be viewed with this in mind. We request that users contact their school directly with any questions they may have.

There are two ways to use EduLink One: through a web browser like Google Chrome or through an app you can download to use on your mobile device. The EduLink One app is available for iOS and Android devices.

Web Browser Instructions

To start, go to <https://www.edulinkone.com/> and input your school's code. This would have been emailed to you when your account was created.

If you do not have a direct link, you will need to enter your **School ID** or **Postcode** and press **Next**. Your School ID will have been sent to you by the school. **If you forget your username or password, please contact the school.**

A screenshot of the login page. It features a dark blue header with a light blue lightbulb icon on the left. Below the header, there are two input fields: 'USERNAME' and 'PASSWORD'. To the right of the 'PASSWORD' field is a 'RESET LOGIN' link. Below these fields is a checkbox labeled 'REMEMBER ME?'. At the bottom of the form are two buttons: a grey 'LOG IN' button and a white 'DEMO' button with a blue outline.

A screenshot of the form for entering a School ID or Postcode. It has a dark blue header. Below the header is a single input field labeled 'SCHOOL ID OR POSTCODE'. At the bottom of the form is a grey 'NEXT' button.

Enter your **Username** and **Password** that the school has sent to you.

If you have not received an email with your login details, please contact your school to resolve this issue.

Once you have filled in the username and password boxes with your login details, click **LOG IN** to get started.

Downloading and Using the App

The Edulink One app is available for iOS and Android devices. You can download from these links or search in the App or Play stores.

Apple App Store

<https://itunes.apple.com/gb/app/edulink-one/id1188809029?mt=8&ign-mpt=uo%3D4>

Android Google Play

<https://play.google.com/store/apps/details?id=com.overnetdata.edulinkone&hl=en>

If you are using the mobile app you will see the screen to the left. You must input your **School ID** or **Postcode** and click the **Next** button to continue.

This is followed by the **USERNAME** and **PASSWORD** screen where you need to enter the login details your school has sent you.

Once you have filled in all three boxes with your login details, click **LOG IN** to get started.

If you forget your username or password, please contact the school

Main Screen

Once logged in, you will see the main screen in Edulink One. The information held in your account relates to your child/children. You will be able to navigate through the different sections of Edulink One by clicking on the icons, e.g. to view your child's attendance, click the **Attendance** icon.

Please see an example of the main screen below. The options may vary between schools as not all schools use all Edulink One's functions.

If you have more than one student in school, it's easy to switch between each one. Just select which child you would like to view in the top right-hand corner. If you can't see all your children that attend the same school, please contact your school.

The **messages** button will let you know if you have any unread messages from the school.

Behaviour

The behaviour button will give you access to **view behaviour records, detentions and lesson behaviour**, which have been assigned to your child. Information on detentions and graphs on lesson behaviour are also shown.

Behaviour Records Tab

This tab will show you detailed information about any behaviour incidents which have been logged on Edulink One by staff. As the example below shows, each behaviour incident that has been recorded will show you when the incident occurred and details about the incident such as the type, location and the action taken.

BEHAVIOUR RECORDS					LESSON BEHAVIOUR	DETENTIONS	REPORT CARDS

Update Information

This section shows you the contact information that the school has on record for yourself and your children.

Here you can review the contact information the school holds for you, but you will also be able to update this with any changes that may occur to this information. When updated information is submitted through Edulink One, this will be picked up by the designated personnel in school in charge of updating records. It will be checked by them and approved.

This side allows you to select whose details you want to check / change.

This side allows you to read and edit the current contact information for the selected person.

To update information using the Edulink One app on a mobile phone, click on the **Data Collection/Update Information** icon and the screen will open.

The screenshot shows the 'Data Collection' screen in the Edulink One app. At the top, there is an orange header bar with a home icon, the text 'Data Collection', and a notification icon with the number '1720'. Below the header, there is a back arrow icon and a circular profile picture placeholder with a graduation cap icon. The name 'Jonas Aaron' is displayed with a double-headed arrow icon next to it. Below the name, there is a small text block: 'General Data Protection Regulation 2018: The school has a duty to protect this information and to keep it up to date. The school may be required to share some of the data with the Local Authority and with the DfE.' To the right of this text is a green 'SAVE' button. A white modal box is open in the foreground, titled 'Basic'. It contains the text: 'This is Basic information regarding your child please ensure you change this information carefully'. Below this text, there is a 'Title' label and a dropdown menu currently showing 'Mr'. At the bottom of the modal, there is a label for 'Preferred forename'.

To update your own information, simply fill out the fields under your name. If you need to update information for a child, you need to click on the **Switch Account** arrows beside your name. Then, select the child you need to update the information for. Fill out the information in the fields as usual.

The screenshot shows the 'Data Collection' screen with a graduation cap icon. Below the icon, the name 'Jonas Aaron' is displayed with a red box highlighting a double-headed arrow icon next to it. Below the name is a paragraph of text about the General Data Protection Regulation 2018. A green 'SAVE' button is visible. At the bottom, there is a 'Basic' section with a title dropdown menu set to 'Mr' and a 'Preferred forename' field.

The screenshot shows the 'Data Collection' screen with a graduation cap icon. Below the icon, a list of names is displayed in a white box with a red border: 'Jonas Aaron', 'Chris Aaron', 'Liz Aaron', and 'Sophie Aaron'. Below the list is a paragraph of text about the General Data Protection Regulation 2018. A green 'SAVE' button is visible. At the bottom, there is a 'Basic' section with a title dropdown menu set to 'Mr' and a 'Preferred forename' field.

Absence Reporting

This feature allows you to send a direct message to the school's attendance officer to notify the school of your child's absence or upcoming absence.

The example below shows you how to select the time and date for the absence request and the reason for the absence.

The screenshot shows the absence reporting form. On the left, there is a purple square containing a circular profile picture of a boy named Jimmy Abbey. To the right of the profile picture, the form has the following fields: 'From *' with a date and time picker, 'To *' with a date and time picker, and 'Reason for Absence *' with a text area. At the bottom, there are 'SEND' and 'CANCEL' buttons.

Exams

The exams section contains detailed information about upcoming exams that your child will be sitting.

It includes the **Exam Timetable** along with the exam name and location. Your child also has access to this so they can keep track of upcoming exams themselves.

Once the exam results are in, your school has the option to post them in the **Exam Results** tab. As the students own their results, the school may decide not to display them to parents and only the students.

Messages

The message button can be found in the bottom right of the screen. Here you can read messages that have been sent through to you from staff at the school.

In the example below, the received tab is where any messages sent to you from the school will be. You have the option to read and reply from here. The sent box will store messages you've sent through previously.

Homework

We will not be using the homework section – this will still be set and handed in on Google Classroom. Please opt in for Google Guardian updates to see the summaries of what is set.

The student and parent can then click on the text of the homework to read the requirements. To exit this just click on the **X** in the top right corner.

Forms

You can fill out a form sent by the school in the Forms icon. Schools will send out forms for many reasons: school trips, meal selection, permission forms etc...

The forms screen is created as a list, providing details about your child/children, the due date and whether you have completed the form or not. You need to click on a form to fill it out.

Attendance

The attendance area lets you see which lessons your child/children has that day and whether they have been marked as present or absent. In the **Attendance Today** tab, you can see this for both statutory registration and lesson registration.

Below the statutory registration information is a list of the child's lessons for each period of the day.

Additionally, the school has the option to allow you to see data regarding lesson attendance for the academic year, as well as statutory month data and statutory academic year data. The data in these sections appear as pie charts like the example below.

Assessment

The assessment screen is customisable for every school, so most schools' assessments will not look the same. If you are struggling to understand the assessment data, it is best you contact your school so they can explain their assessment process.

You can see your child's/children's grades, targets, attitude to learning and other aspects that the school wants parents to see in Assessments. Some schools colour code data to tell you if your child is working at the expected level. Many schools also provide a written explanation about the assessment, like what each effort grade means.

Also, you can view other assessments, including past assessments, and some schools may make KS2, KS3 or KS4 data available for parents to view.

Below is an example of what an assessment could look like in Edulink One.

Attainment Summary

The information below provides current data on the progress of your child in Attainment Summary. The table shows their KS2 attainment level as well as their Attainment grade and Effort grade for each term, the final column shows your child's current target level which is colour coded according to the below key.

Attending a Virtual Parents' Evening

Many schools have now included an option for virtual parents' evenings. If your school is using virtual appointments, please open your parents' evening area in Edulink One and click anywhere on your child's parents' evening event.

Year 9 Parents Evening	Spring Year 9 Parents Evening	23/01/2020	17:00	19:00

Once you have clicked on the parents' evening event, you then need to click on the **Start Appointments** button. *Note: This is only if your school is using video conferencing appointments; otherwise, appointments for parents' evenings will still be in-person.*

If you have included a guest on your booking, they will also need to click on the **Start Appointments** button from their device.

Your child's teacher will start the appointments at the correct time and the appointments will happen automatically— parents just need to have the video conference open.

The next page shows you a view of what a video conference looks like. The teacher's camera is larger in the middle and you will see your camera off to the right side. If you have a guest, an additional screen will be included.

Your next appointment is listed on the bottom. You do not need to do anything; the teacher will end the appointment when you are finished, or the appointment will cut off automatically at the end of the appointment time. This is highlighted by a red border 30 seconds before the appointment ends.

The teacher has no control over this cut off as it happens automatically to make sure all appointments run on time. If you need more information from a teacher, schedule a further meeting or telephone call with them.
