

HJJ/jr
30th June 2022

Dear Parents/Guardians

As an Artsmark Platinum School, we are celebrating Artsmark's 20th anniversary on Wednesday 6th July by participating in 'Day to Create'.

Day to Create is a special Artsmark community day designed to support and celebrate children and young people's ideas, imagination and creativity through whole-school arts activity.

On 6th July students will not be going to their usual timetabled lessons, instead they will be participating in a wide range of creative activities across the school from making acrylic bees, flowers and bug hotels in technology right through to planting bulbs and sowing seeds across our site. We will be documenting our activities throughout the day on our social media platforms.

Your child will be given a timetable for the day in tutor time over the next few days, the day is split into 3 sessions:

Session A - 9.00am - 11.00am

Session B - 11.30am - 1.30pm

Session C - 2.00pm - 3.00pm

During Session C, all students and staff will be participating in a whole school drone photograph on the field. We will be creating a '90' in preparation for celebrating Wildern School's 90th anniversary next year.

Alongside this some of our students already have fantastic creative opportunities and experiences booked in:

Year 7 : 50 students attending the Bletchley Park trip

Year 10 : 200 students attending the Barton Peveril taster day

Year 7 – 10 : dancers attending the Summer Showcase dress rehearsals

If you have any questions please contact your child's tutor in the first instance.

Yours faithfully

Miss H Jones
Assistant Headteacher
