

In Year Admissions

For in-year admissions to Wildern School, applications can be submitted up to four school weeks before the desired start date. If a place is offered, your child will be expected to begin attending within four school weeks. The exception to this is for in-year places starting in September 2026; applications for these can be made from May 1, 2026 and will be considered from June 8, 2026.

We aim to respond to applications in writing within 10 school days. Please be aware that responses may be delayed during school holidays.
