Dear Parent/Guardian

Re: Chromebook Scheme for Current Year 8 – Deadline 12 February 2021

The deadline for your child to take part in the Chromebook scheme is Friday 12 February 2021.

The portal website to lease a Chromebook can be found [here](#)

As in the past it relies on achieving a threshold of over 75% of the year group. Therefore, I would like to ask if you are considering purchasing a Chromebook independently let us know as this will be counted towards the 75%. Do that [here](#).

Friday 12 February 2021 is the deadline for both options and on this date we will know if we have reached the 75% threshold for take-up and can proceed with this scheme. Failure to reach 75% will mean this scheme may not run which is why we need to know if you have chosen to purchase a Chromebook outside the leasing scheme.

If you have any questions, in the first instance I direct you to:

https://edutech.zone/parent_enquiries/ or to the Wildern website [here](#) where there is lots of information regarding devices and frequently asked questions. I do stress that Chromebooks are the only devices we accept in this scheme.

There is also this [YouTube movie](#) detailing the 3 devices and some more information about the scheme.

For any other questions do email: chromebooks@wildern.org

Yours faithfully

Mr M Knight
Assistant Headteacher

Mrs K Broadribb
Senior Leader of Learning
