November 2022

Dear Parents/Guardians

GCSE Geography Wideworld Magazine

As part of the GCSE curriculum, the Geography Department is launching an exciting enrichment opportunity for students to subscribe to the Wideworld Magazine at a discounted price of £10.00 (usually £22.00).

This magazine is edited and published by Hodder Education and has been successfully running for decades. Each release is approximately 25 pages and they are stacked full with topical and accessible information with an abundance of case studies, exam practice and revision tips. It is a perfect addition to GCSE Geography.

Please sign up to this exciting opportunity on ParentPay including your child's name and tutor group. If your child is eligible for Pupil Premium funding the price of this subscription will be covered.

There will be four magazines released throughout the academic year and once delivered to the school will then be dispatched via your child's Geography teacher. Should you wish to take a look at an online sample of the magazine please follow the link [here](#).

Should you have any further queries about the magazine please do not hesitate to contact me, for any ParentPay related queries please contact finance@wildern.org. The deadline for this is Friday 2 December 2022.

Yours faithfully

Mrs E Dixon
