MYSTERY

Create your own Murder Mystery
WHAT, WHERE, WHO, HOW?

We would like you to write your own murder mystery story. Go to Google classroom on2ihcf, to find a handy hints sheet to get you started.

We challenge you to read a genre that you haven't read before.

If you always read Adventure books, try a Sci-Fi story instead. If you always read Romance, try a Thriller. You never know you may find you prefer it. Write us a review with your thoughts and opinions.
