Dear Parent/Guardian

**Re: Open morning tour opportunity – Friday 8 July 2022**

Since the start of the pandemic, we have changed the way we operate school events such as parents' evenings which have moved online. The advantages of this far outweigh the negatives, however it does mean that many of you have not been able to visit the school site. In our parental questionnaire last summer, many of you said this is something you would like to do.

Following successful open morning events for prospective parents in the Autumn term, and our current parents in the Spring Term, we are excited to be able to open our doors once again and welcome you to have a guided tour of the school. Tours will be led by Year 10 students who will show you round the school site whilst lessons are taking place.

Please book your places via Eventbrite using the links provided. Tea and coffee is available from 9:45am in the D@rt and tours will begin at 10am.

We look forward to seeing you.

Yours sincerely
