

Yr 7 End of Term letter/jr
30 March 2023

Dear Parent/Guardian

Re: Year 7 - End of Term

As we approach the holidays we wanted to take this opportunity to express our thanks for your continued support in what has been an exciting second term at Wildern School. I believe that it is important that we reflect on the last term and recognise what a huge step our students have made in elevating their secondary school journey.

We wanted to write to say a big thank you to you for your continued support which has been integral in what has been another busy and productive term. It has been excellent to see Year 7 getting so involved in many of the events around school. These have included events such as sporting clubs/events, the choir performances, art competitions, and Student Voice presentations in our assemblies. Students have contributed heavily to charity events, have represented the school in workshops and it is always the highlight of our week to celebrate the plethora of success in our assembly. We are immensely proud of all they have achieved so far.

In the Summer Term, students will be focusing on their progress as we move steadily towards the next phase of their first year at Wildern. Our year group mantra is 'Be the best version of yourself' and will continue to be our focus as we encourage your child(ren) to really focus on making the most of every minute at school; to take any opportunities that come their way and keep building on the great start they have made. Alongside this mantra, we will also be showing a clear focus on making good choices; exposing them to these concepts ahead of Year 8 in which they will choose their GCSE pathways.

Most importantly over Easter we want the students to rest. School is so rich with activity and demands such focus that it is vital we encourage students to rest and rejuvenate - with chocolate of course - ready for their return as they embark on their final term of Year 7.

Well done for all their hard work over this term and we look forward to seeing them all refreshed on their return on 17 April. However you and your family are spending Easter, I hope you are able to enjoy some rest, family time and make wonderful memories.

Well done Year 7. We are incredibly proud of you.

Yours faithfully

Mr S Clissold
Director of Progress and Achievement
Year 7

Mrs R Thomas
Assistant Director of Progress and Achievement
Year 7
