Risk	Spread of Coronavirus Infection – working with Critical Workers students, working with our vulnerable students and having more staff and students on school site January 2021
-------------	--

Although this risk assessment is written to predominantly protect students and staff it also extends wider to consider the safeguarding of all our families where contact is made.

What are the hazards?	Who might be harmed & how?	What are you already doing (existing Control Measures)?	Do you need to do anything else to manage this risk as the plan begins to work and feedback is given?	Action by whom?	Action by when?	Done
Spread of infection across the site	Staff and students	<ul style="list-style-type: none">Each area used will be deep cleaned before and after useAreas that have a high usage will be cleaned before, during and after the school day e.g door handles leading to key areasEven when cold, all classrooms will have windows and doors open to provide natural ventilation within the roomWhere regulations allow, doors will be propped open to limit the use of door handles etc across the siteMeetings are moved to virtual digital format. Where a meeting of staff in school does occur, the area is wiped down post meeting and cleaned after use.Site Manager to observe protocol is in place.	Students may wear suitable clothing to remain warm in line with uniform policy	Site Manager Cleaning staff Site team	Every day from Jan 4th (ongoing from previous term).
