- In lessons behaviour is generally good. On occasion some students can be silly.
- At break times it is good for the majority of the time. Students are not allowed to play on the courts if they misbehave. Behaviour at the table tennis tables is calm and relaxed.

### **Do you feel safe in school?**

- All students said they feel safe in school.

### **Do you feel encouraged to be independent and take on responsibilities?**

- Most students feel encouraged to be independent: managing homework, navigating lessons and joining leadership roles.
- Examples of taking on responsibilities given were: bringing PE kit and equipment, getting to lessons on time, working without immediate help, applying to be a Prefect.

### **Do you know what bullying is, and do you see it happening in school?**

- All students understand what bullying is: repeated, intentional negative behaviour.
- Most students have not seen bullying recently.

### **What have you been learning about in Education for Life? Do you feel this has been relevant to you?**

- Topics covered in Year 10: drugs, gambling, knife crime, gangs, budgeting, exam stress, pregnancy.
- Students said these topics were relevant, especially for their age group and felt parts were aimed at giving them knowledge for the future.

### **Did you apply for any of the student leadership opportunities? (Prefect, Senior Prefect, Head Students, House Captains) If not what positions of responsibility in the school would interest you?**

- Some of the students spoken to applied for prefect, head student or house captain roles and were successful in these.
- A few felt that they may not get a role (due to previous behaviour) if they applied so chose not to.
