Unifrog – The Complete Destinations Platform

Dear parent/carers,

To continue to provide students with outstanding careers guidance and tailored support when choosing their next step after school, we are using Unifrog: an award-winning, online destinations platform. All students in Years 7, 8, 9, 10, 11 now have access to this website.

What is Unifrog?

Unifrog is designed to support learners in **making informed decisions about their futures**, with a range of tools that are suitable for all year groups. Each student has their own account that provides a range of information related to their interests and aspirations.

Key features of the platform for students include:

- Psychometric testing quizzes
- Career and subject exploration
- Webinars and interactive short courses
- Self-reflection and portfolio building tools
- Search tools for live apprenticeship and employer opportunities, and university courses
- Application and essay-building tools

We encourage you to use the platform with your child so you can support them through the process of deciding on their next steps. You will receive weekly emails outlining your child's use of the platform and any logged interactions that the teachers or career team have input. You have the option to opt out if you wish.

[Here](#) is a link to a presentation detailing Unifrog's functionality.

You can also sign up to Unifrog's parent/carers newsletter to get expert advice and guidance on supporting your child with their next steps. For more information, go to www.unifrog.org or contact careers@wildern.org.

Yours faithfully

The Careers Team
