Dear Parent/Guardian

Re: WINK - Using challenge to learn - Thursday 8 June 2023

Venue: Wildern School Main Hall @ 5pm

I am writing to invite you to an interactive workshop to find out how you can support your child with reaching their full potential through encouragement and exploration of everyday ideas with deep thought, curiosity and challenge.

The workshop will look at the research behind 'Thinking Hard' strategies including as to why they are effective skills to develop and how they can be used anywhere and at any time to optimise your child's ability to process information, recall facts and apply knowledge to various situations. You will also have an opportunity to discuss, ask questions and try out some of the strategies for yourself.

If you would like to attend this session please register your interest by using the link to the Eventbrite page [HERE](#) by Friday 2 June 2023.

We look forward to welcoming as many parents as possible at what we hope will be a helpful and informative evening.

Yours sincerely

Miss N King

MAC Co-ordinator
