Dear Parents/Guardians

Re: Year 11 - End of Term

I wanted to write to express my thanks for your support in what has been an incredibly busy and challenging term for Year 11. During the examination period, the students behaved brilliantly and took to the exam routine very quickly. This allowed the examinations to run smoothly, affording everyone the best opportunity to practice for the real examinations in the summer term. I am hopeful that Year 11 will be pleased with the results that they have achieved and will be able to build on the platform that they have created. If not, then there is still time to reflect and act upon their results and we as staff are there to support them every step of the way.

I have been thoroughly impressed with the pride that Year 11 has displayed around the school and to members of our wider community. The contributions to charity events such as shoe box appeal, food bank, clothes donation and show racism the red card day. As well as this, Year 11 have managed to significantly contribute to the extra-curricular activities programme, including ESP's which has been great to witness. Most notably the school production of Aladdin Jr, but also the various sporting teams, concerts and dance showcases which again have shown what talented students we have here at Wildern.

After the Christmas break I am hopeful that those students who have sent off applications to colleges/apprenticeships will continue to receive invites for interviews and start securing their places. At the same time the final stage of your sons or daughters time at Wildern will be exciting whilst extremely busy. Please take the time to keep myself and the tutor team updated with everything amazing that is going on, as well as taking the time to inform us where support may be required.

Please encourage your sons/daughters to have a well-deserved break. I very much look forward to seeing them all return, well refreshed in January 2026!

Have a great Christmas and a great New Year.

Yours faithfully

Mr L Nash

Director of Progress and Achievement - Year 11

Mr R Ryan-Heaney

Assistant Director of Progress and Achievement
