

DAY/jr
20 April 2021

Dear Parents/Guardians

I wanted to let you all know about some very positive news on how wonderful our Wildern Community has been during these unprecedented times

Since the beginning of 2021 we have managed to raise £970.90 for our local charity, the super heroes, the doctors and nurses, at Southampton General Hospital, I wanted to share with you the letter of thanks we have received, as it was down to the whole community that we were able to do this:

To the Wildern School Community

On behalf of all the people who are too busy right now to say thank you - thank you!

I mean, of course, the doctors, the nurses, the cleaners and the porters - in fact, every one of our NHS heroes at University Hospital Southampton.

I know if they possibly could, they would want to thank you personally for your generous donation of £970.90 received to date in 2021 for our frontline workers.

Frontline NHS staff have already worked tirelessly through two waves of the virus. Thanks to you, staff can now rest properly during their short breaks, access wellbeing areas and enjoy refreshments such as tea, coffee and fresh hot food - it makes such a difference knowing they have the support of the local community.

Thank you again for your support.

With best wishes

RACHEL

Rachel Funnel

I also personally want to thank everyone for all their support and time, even though we have been in unprecedented times we have been able to support our charities, without the support of everyone in our community we would not be able to achieve this.

Yours faithfully

Mrs D Yates
Charity and Community Co-ordinator
