Dear Parents/Guardians

Last year saw a fantastic year of fundraising and charitable giving at Wildern considering the difficult year we had. We raised over £5874 for the various charities we supported, this included the Wildern Lockdown Run and the Race for Life. We are looking to continue and build on this work this year so would like to take this opportunity to share with you the upcoming charity events that your son/daughter can take part in. All these events are subject to change responding to the current guidelines around the current situation.

Autumn Term:

Jeans for Genes - Friday 17th September
Rotary Shoe Box Appeal - w/c 1st November
Big Clean and Recycle your Uniform – 16th October
Design a Christmas Card Launch - w/c 8th November
Basics Food Bank Appeal - w/c 13th December
Save the Children Christmas Jumper Day - Friday 10th December

Spring Term:

Kindness Month Launch - w/c 31st January
Sports Relief - w/c 14th March
Diversity Week - w/c 21st March

Summer Term:

We will be carrying out various fundraising activities for each of the charity days and will be communicating these throughout the year through tutor sessions and via social media. Some events will involve fundraising through a non-school uniform day which we will make students aware of where applicable.

This year we have also made the decision that in order to support our local community, 25% of all money raised at our various events will go towards a local charity. Students have voted and have chosen the 'Wessex Cancer Trust' charity for this year. Wildern have also adopted an Amur Tiger at Marwell Zoo this year and will be holding various charity events in order to help support our Tiger

Thank you in advance for your support.
