

ECT/jr

6 September 2022

Dear Parent/Guardian

Your child has been offered the opportunity to have a **free** lesson on a musical instrument or voice with one of Wildern Music Academy's specialist instrumental teachers.

The following instruments are offered:

Flute, clarinet, saxophone, violin, trumpet, trombone, euphonium, drum kit, guitar, bass guitar, ukulele, piano or voice.

All year 7 students have received a [google form](#) via their school email and music Google Classroom where they can sign up. Alternatively, they can sign up via their tutor - **the deadline** for this is **Thursday 8 September**.

These lessons will take place during the school day, the **week beginning 12 September**. Please be aware, the lesson will be 30 minutes in length, so your child will miss a portion of one lesson that day.

This will be a really wonderful experience and we would really love it to ignite students' passion for music making. We therefore very much hope that your child will be able to take part and benefit from this opportunity.

Yours faithfully

Mrs E Thomas
Director of Wildern Music Academy
