

ELL/jr  
21 September 2022

Dear Parent/Guardian

I am writing to the parents/guardians of those students who have opted to study GCSE Art in Year 9 or 10 to let you know about the materials and equipment that are required and that will be useful for the GCSE course.

All GCSE students are provided with a good quality sketchbook in Year 9 and during their art lessons with all of the materials and equipment required to meet the demands of the course. Many students however, prefer to have some of their own subject specific equipment to use in school or at home, particularly to help when independently completing self-study or coursework tasks. We appreciate that such materials and equipment can be expensive to buy and for this reason, we are offering the **one off opportunity** to order and purchase materials from the Art department at the cost price of £42.43. A breakdown of what is included for this price is listed below. **Please note it is not compulsory to purchase a pack.**

Students wishing to buy materials for their GCSE course should complete a payment via *parent pay* by Thursday 6 October 2022. After this time we will be unable to process any further orders.

As students move into Year 10 we ask that they supply their own **A1 size Art folder** to store their coursework work in. **A1 Folders can be purchased from school as a single item for £4.50 directly via their Art teacher.** Alternatively, students can buy their own from any good art shop but these tend to be more expensive.

Yours faithfully

Mrs E Lynch  
Art Subject Leader

**Art Pack - KS4 Art £42.43**
