Dear Parent/Guardian

Re: Flu Vaccination – 15 December 2022

Please see the attached letter giving details on how to access the online consent form for your child to receive the Nasal Flu Vaccination, this programme is for years 7, 8 and 9.

This form needs to be completed by the **Tuesday 13 December 2022 by 10am**, at the very latest, as the Immunisation Team will be visiting Wildern School on the **Thursday 15 December 2022**.

If an error is made on a submitted form, please contact the Immunisation Team directly on **Tel: 02380 475221** to correct the error, rather than submit another form. **Parents should only submit 1 form per child.**
