Dear Parents/Guardians

Re: Whole Year Group Photographs

As some of you may know we traditionally take photos of the whole year group in Year 7 and Year 11 which are then available to purchase by our students.

Unfortunately, due to the pandemic we had to change our arrangements for these several times as it would not have been appropriate to have all of the year group together, without masks, for these to take place.

Now that we are able, I am happy to confirm that we plan to hold photographs for the whole of each year group in Years 7, 8 and 11 on Friday 25 March 2022.

If you have any further questions, please feel free to make contact with your child's respective Director of Progress and Achievement.

Yours faithfully

Greg Bateman
Pastoral Senior Lead Practitioner
Director of Progress and Achievement (Year 8)
