December 2022

Dear Parent/Guardian

Year 10 Practice GCSE Examinations - 23rd January – 1st February 2023

Please find attached the GCSE Practice Examination schedule for your child. This will be looked at in lessons and tutor time to ensure your son/daughter understands the timetable.

The exams will be run under full GCSE conditions, to ensure candidates are fully aware of the conditions and regulations covering public examinations. We would welcome your support in ensuring your child approaches them with due diligence.

It is important that students note the dates and times of their exams and ensure that they are on time for all examinations.

Monday 23rd January - report to Tutor as normal, then go to exam venues for an 8.50am start.

Tuesday 24th January – Wednesday 1st February - go straight to exam venues. It is vital you are there at 8.35am for a prompt 8.45am start

Candidates should have all the necessary equipment required. **For public examinations they must use black ink.** Would you therefore please ensure that your child has a black pen.

Year 10 students will be in school as normal during the practice exam weeks. When not sitting an examination, your child will be in their normal taught/revision lessons.

The Parent Handbook lists the areas of study for each subject area and recommended reading and revision sites. Pages 29-80 cover this and are available [here](#). Each subject will also post revision material on their Google Classroom page. There are a range of revision guides and resources available for your child to purchase from the Finance Office. These are listed on the next page.

If you have any questions regarding this examination session, please direct them to Mrs Cliverd, Exams Officer, (01489 779455) in the first instance.

Yours faithfully

Miss H Jones
Assistant Headteacher
