Dear Parent/Guardian

Re: Human Papillomavirus (HPV) vaccine

Your child is due to receive the Human Papillomavirus (HPV) vaccination. This is delivered by Southern Health NHS foundation Trust School Age Immunisation Service in partnership with Wildern School when they are in year 8.

Please find attached the letter from the Southern Health School-age immunisation Team, which detail's how to fill in the online consent form and more information regarding the HPV vaccine.

Any problems in filling out the form please contact the Immunisation team directly on 02380 475221 or email them on shft.southwesthantsimmuisationteam@nhs.net.

Yours sincerely

Mrs L Harvey & Mrs J Buckley
First Aid Team
