Dear Parent /Guardian

We are delighted to inform you that we will be introducing a new PE kit in response to parent feedback. This brand new kit is made from a different material and should not discolour in the wash. This can be purchased through Skoolkit and will consist of the following:

- Wildern Green polo shirt with red stripe
- Wildern Green shorts with red stripe
- Optional Green long sleeve jersey with red stripe
- Red football socks

In colder months we will also allow:

- Plain, unbranded, black sports leggings only
- Plain, unbranded, black tracksuit bottoms only
- Plain, unbranded, black sports base layer to be worn underneath polo shirt

We do not expect all students to be wearing the new kit in September. However, Skoolkit will not be producing any more of the old style PE kit and therefore will only be available whilst stocks last. The new kit is currently available to purchase and can be worn from now.

Yours faithfully

Miss L Wells  
Senior Leader of Learning - PE
