

26 May 2021

Dear Year 6 student,

I thought I would write to you as we move towards the May Half term to give you a little bit more information regarding your transition here to Wildern. I've really enjoyed speaking with your teachers recently, getting to know you all academically, as well as gathering as much information about your interests as possible. I'm really looking forward to meeting you all face to face soon.

We are hoping to welcome you all here for Induction Day on Wednesday 7th July as well as also being invited back in the evening with your parents between 18.00 and 19.30 for an Induction Evening. This however is yet to be confirmed as we await confirmation and guidance from the Government in respect of easing COVID restrictions. All being well, this will be a great opportunity for you to see the school, meet your tutors and also your Director of Progress and Achievement - Mr Denman. He is currently very busy guiding our Year 11's through their final days here at Wildern, but will be making contact with you all in due course.

In the meantime, please rest assured everything is being done behind the scenes to make your transition as smooth as possible. There will be lots of information coming out to you and your parents straight after half term so please keep a look out for that.

Have a restful and well earned half term break and please enjoy your final half term as primary school students.

We can't wait to meet you all.

Yours sincerely,

**Mr T Hastings - Senior Leader of Learning (Pastoral)**
