## Students to pay off loans into their 60s, plans say

By Hazel Shearing  
Education correspondent

24 February | Comments

GETTY IMAGES

The average debt among those who finished studying in 2020 was £45,000

The income level at which graduates start repaying their student loan will be reduced from £27,295 to £25,000 and this will remain set until 2026-27

# Student Options.....

**School**

Enrol onto an  
Apprenticeship!

16 Years old after  
completing School

**College**

18 Years old after  
completing College

**University**
