

OfficeLetters/First Aid  
27 September 2021

Dear Parent/Guardians

This letter is to inform you that there are students and staff within Wildern School that have severe food allergies to peanuts and nuts. It is important that there is a strict avoidance to this food in order to prevent a life-threatening allergic reaction. We are asking for your help to provide all our students and staff with a safe school environment.

Any exposure to peanuts and nuts may cause a life-threatening allergic reaction that requires emergency medical treatment. To reduce the chance of this occurring, we are asking that you do not send your child in with peanut or nut containing products to school or on school trips.

We appreciate your support with these procedures.

Yours faithfully

Miss L Duck & Mrs J Buckley  
First Aid Team
