Dear Parents/Guardians

We are very fortunate to have the company 'Solomons Theatre' coming into school on Wednesday 5 October 2022 for all Year 9 students as part of their Education for Life curriculum.

During this day all students will watch the play 'Last Orders' which is an educational show that explores the serious issues of underage and binge drinking, health and laws that surround young people in society today.

After watching the play each population will then take part in an interactive workshop that will provide them with more detailed information about the key things that occur within the play itself.

The play compliments the statutory RSE guidance, links in with the current unit that Year 9 are completing in their lessons 'Peer Influence, Substance Use & Gangs' and gives students the opportunity to learn more about issues surrounding alcohol. Solomons Theatre have worked with Wildern for many years and the feedback we have received has always been positive from both the students themselves and the theatre company.

If you have any questions please do contact Mrs Burden before the day on the usual school number or email.

Yours faithfully

Mrs R Burden
Subject Leader of Education for Life
