

Summer School 2021

Dates: 24th - 28th July and 25th - 27th August

Our Summer School was a great success. We are very proud of our Summer School Team and all of the students who joined us.

Programme:

Every day started with an assembly and ended with a celebration of students' successes. The programme was based on our summer reading project that was offered to all students joining us in year 7. Through the programme we were able to provide the following: guided reading, team building, art, humanities, craft and numeracy workshops as well as a treasure hunt, a languages challenge and an extended project.

Total funding received: £24532.91

Funding received covered: building hire, staffing (teaching staff, support staff and site staff), copies of 'Lost', prizes, certificates and postcards, photocopying, resources for workshops, stationary, communication with parents, FSM lunches and drinks and ...

We would like to thank Co-op, Hedge End for their kind donation of £200 towards the summer school refreshments.

Feedback from parents:

"My daughter came home everyday happy and excited to tell me all about her day!"

"My son was offered a variety of lessons and activities that brought school to life, he was able to find his bearings of the school site and make new friends. He came home buzzing every day

about new things he had experienced. It certainly eliminated any anxieties we would have both previously had.”

DFE: Schools must publish brief details of their summer school on their website by the end of October 2021. This should include the amount of funding received and a breakdown of how it was spent.
