Dear Parent/Guardian

**WINK – How to support your child at Secondary School for Year 7 Parents
Thursday 22 September 2022**

VIRTUAL EVENT on Wildern School Website

Each year we hold a series of parental learning events that are called WINKs (Wildern, Interactive Nights of Knowledge). This event is designed specifically for Year 7 parents.

During the evening, we aim to give you an overview of the Key Stage 3 curriculum as well as some ideas about how to support your child as they start their Secondary education.

This year the event will be run virtually. Our presentation will be available from 6pm on the above date. It will not be available before this time.

It can be accessed via the School Website in the WINK area [HERE](#)

If you cannot watch the event 'live' the presentation will be available in the WINK area of the school website following the event.

Yours sincerely

Mrs R Thornton
Assistant Headteacher
