Dear Parent/Guardian

**WINK – RSE (Relationships & Sex Education) - Wednesday 23 March 2022**  
**VIRTUAL EVENT – please see links below**

Every year Wildern holds a series of parental learning events that are called WINKs (Wildern, Interactive Nights of Knowledge). Our WINK event this month will be live streamed via YouTube and will share information on the mandatory government guidance of what schools must cover in relation to RSE (Relationships & Sex Education), and is part of our consultation with parents about this.

The event will outline what is taught throughout the five year Moral & Social Studies (MSS) curriculum and how the statutory requirements of RSE are delivered within this, with a follow up consultation survey.

The evening will be hosted as a virtual event and will begin at 6:00pm on the Wildern Broadcasting Channel [HERE](#).

You will also be able to access this event from the stated time via the link on the WINK area of our school website [HERE](#).

We do hope you can tune in and take part in this broadcast. It can be watched or played back at any time following this event through the link above.

Yours sincerely

**Mrs B Watson**
