

EVERY STUDENT MATTERS, EVERY MOMENT COUNTS

wildernschool

Welcome to our first newsletter which will give you key updates and information about Wildern. We hope you will enjoy it!

We are so excited to meet you all in person, September 2nd will not come soon enough! It will be the start of a new adventure for you all and we will be with you every step of the way.

However, you still have over a month left at your Primary schools so enjoy every minute as this is special time.

We will continue to work behind the scenes getting everything in place ready to welcome you all in September and will send out lots of communication to you and your parents in the coming weeks.

Best wishes,
Mrs Oakley

Hello new Year 7 Students and Parents for Sept 2021. Following my [short video message](#) recently I would like to formally introduce myself to you all. My name is Mr Denman and I am delighted to be your Director of Progress and Achievement. I am somebody who you are going to get to know very well over the next 5 years. It also may be reassuring to know that when you arrive in September for the first two days you are going to be the only year group in the whole school so you will have time to quietly settle in. During that time we will be doing all of the transition activities to help you work everything out. You will be surrounded by people that can help you and we won't expect you to know it all so no need to worry about that. By that stage you will have seen all of the virtual transition that we can offer so will be feeling much more informed than you do now.

I have just said goodbye to my Year 11s and I spoke to them often about not allowing your mind to worry about the things out of your control and to focus your time and energy on the things in life that you can control. This is just as relevant to you all now. Trust us and trust that we will share with you everything you will need to know.

Look out for more from me and I can't wait to meet you all in person soon

Mr Denman
